Did you know there's a new way to qualify for a bill discount? If your household income is below a certain threshold you may qualify for a bill discount through our Energy Affordability Program. Check your eligibility and apply at conEd.com/EAP.

To save on energy and heating costs with energy efficiency solutions, visit conEd.com/Savings.

 YOUR DOLLAR FOR ENERGYSHARE CAN MAKE A DIFFERENCE

EnergyShare helps eligible residential customers struggling to pay their bills with a grant of up to \$300. Pay the total amount of this bill and

exactly \$1.00 more, and that dollar will go towards the EnergyShare fund. Con Edison will match each contribution.

Electric Meter Detail - billing period from August 6, 2026 to September 4, 2026 (29 days)

Meter #	New Read	Read Type	Date	Prior Read	Read Type	Date	Read Diff	Total Usage kWh
005677065	36600	Actual	Sep 04	36092	Actual	Aug 06	508	508

Your Supply Charges

Supply 508.00 kWh @13.880¢/kWh	\$70.51
Merchant Function Charge	\$2.79
GRT & other tax surcharges	\$1.76
Sales tax @4.5%	\$3.38

Total electricity supply charges **\$78.44**

Your total electricity supply cost for this bill is 14.78¢ per kWh. You can compare this price with those offered by energy services companies (ESCOs). For a list of ESCOs, visit PowerYourWay.com or call 1-800-780-2884.

Your Delivery Charges

Basic service charge	\$22.10
Delivery 508.00 kWh @18.276¢/kWh	\$92.84
System Benefit Charge @0.799¢/kWh	\$4.06
GRT & other tax surcharges	\$5.78
Sales tax @4.5%	\$5.62

Total electricity delivery charges **\$130.40**

Your electricity total **\$208.84**

Understanding your bill

Basic Service Charge: A charge for basic system infrastructure and customer-related services, including customer accounting, and metering services. A billing and payment processing charge of \$1.80, which may be avoided by switching to an energy services company (ESCO), is also included.

Delivery: Charge for maintaining the system through which Con Edison delivers electricity to you.

Electricity Supply: Charge for the electricity supplied to you.

Energy Delivery: Additional Delivery Charges and Adjustments. For more information, visit conEd.com/rates.

GRT & other tax surcharges: Taxes on Con Edison gross receipts from sales of utility services and other tax surcharges.

Merchant Function Charge: A charge that recovers costs associated with procuring electricity, procuring and storing natural gas, conducting credit and collections activities, and managing uncollectible accounts.

New Read: Monthly meter readings are no longer used for billing purposes. Instead, we use the data provided by your smart meter(s), which improve accuracy by recording your energy use in 15-minute intervals. Your New Read is provided for illustrative purposes only.

Prior Read: Your prior meter reading was calculated when your last bill was issued.

Reading Difference: The reading difference is the result of subtracting your prior meter reading from your new meter reading. Please note: the New Read and Prior Read values shown on your bill have been rounded and/or truncated. Calculating the Read Diff yourself may result in a different value than the one shown here.

Reading Type: You will see the word "Estimated" here if your smart meter was unable to communicate your energy use during the billing period. Otherwise, your reading type will be "Actual".

Sales tax: Tax collected on behalf of New York State and/or your locality.

System Benefits Charge: A charge that recovers costs associated with energy-efficiency and renewable-energy programs implemented by the Company and the New York State Energy Research and Development Authority (NYSERDA).

Temperature * Source: Central Park Weather station.

Total Usage (kWh): Your total usage is the sum of the 15-minute interval data recorded by your smart meter(s) during the billing period. This is used to calculate the energy-delivery and energy-supply charges on your bill.

How to get in touch with us

Email or chat: conEd.com/ContactUs

Phone: 1-800-752-6633

Mail: Con Edison, PO Box 138, New York, NY 10276-0138

Ways to pay your bill

Customer News

Fall 2026

Need Help With Your Bill?

If you're having trouble paying your bill, we want to help:

- Set up a flexible payment agreement or get an extension if you need more time to pay your bill. Go to **conEd.com/PaymentPlans** and sign into your account.
- Sign up for Budget Billing at **conEd.com/BudgetBilling**. We estimate your yearly energy costs and spread payments out evenly over 12 months.
- HEAP offers grants to eligible customers to help pay their energy bills. New York City residents can call the HEAP hotline (**1-718-557-1399**) or **311**. Customers in Westchester can call the Department of Social Services (**1-914-995-5619**). If you receive a HEAP grant from another utility or oil company, you may be eligible for reduced electric rates. Fax a copy of your HEAP grant letter to **1-917-639-2900**.

Need help signing up for My Account or learning more ways to do things online? Call our Resource Direct line: **1-212-358-4565**.

Do You Qualify for Extra Savings?

If you receive benefits such as Medicaid, SNAP, or Supplemental Security Income, you may also qualify for a discount on your monthly energy bill through Con Edison's Energy Affordability Program (EAP).

Now, New Yorkers with household incomes below the area median may be eligible for bill discounts through the Enhanced Energy Affordability Program (EEAP). Find out if you qualify for EAP or EEAP benefits and enroll at **conEd.com/EAP**.

EmPower+ is a New York State program that helps low- and moderate-income households save energy and money toward energy improvements made to their primary residence. Find out more at **nyserda.ny.gov/All-Programs/EmPower-New-York-Program**.

3 Ways to Warm Up and Save

1. Switch to electric heat pumps. They're highly efficient, environmentally friendly, and help keep energy use low while keeping you comfortable all year long. Get started: **conEd.com/Comfort**.
2. Upgrade your water heater to a qualified ENERGY STAR® certified heat pump water heater to boost your energy efficiency and comfort. Plus, you'll receive a \$1,000 instant rebate for making the switch! For details: **conEd.com/WaterHeaterRebate**.
3. Get a cash rebate when you enroll your Wi-Fi thermostat and allow us to make brief, limited adjustments to your thermostat settings to reduce strain on the energy grid. We'll inform you before an adjustment, and you are always in control and can override the settings at any time. Learn more: **conEd.com/SmartThermostat**.

Life-Support Equipment and Medical Emergencies

If you or someone in your household uses life-support equipment or has a medical-emergency condition, we need to be able to reach out during storms and other emergencies to provide important safety information.

Both life-support equipment and medical-emergency conditions require certification that must be updated periodically.

Get started by calling **1-877-582-6633** or log in to **conEd.com/MyAccount** and use our online forms. Or download the life-support equipment form at **conEd.com/LifeSupportEquipment** and email it to **LifeSupportEquipment@conEd.com**. You'll need your 11-digit account number.

Power Problems?

Report outages at **conEd.com**, or use our mobile app for iOS or Android devices, or call **1-800-75-CONED (1-800-752-6633)**.

Be sure we have your current email address and cell phone number so we can contact you during an emergency. When you report an outage at your home or business, you'll get regular status updates.

- Visit **conEd.com/StormCentral** to check your status and see what's happening in your neighborhood.
- Never go near or touch a fallen power line.
- If you see a downed wire, call **1-800-75-CONED** immediately.

If power goes out, turn off appliances, but leave a light switched on so you'll know when service is restored.

Smell Gas. Act Fast.

Smell: Natural gas smells like rotten eggs.

Gas: If gas is in the air, a spark could cause an explosion. Don't light a match, smoke, flip a switch, ring a doorbell, or touch appliances or electronics, including phones.

Leave: If you suspect a gas leak, get everyone out immediately.

Call: When you're safely away from the area, call **911**, Con Edison (**1-800-75-CONED**) or National Grid (**1-718-643-4050**). Don't assume someone else has already called. You can report leaks anonymously.

Learn more: **conEd.com/GasSafety**.

Spot Steam?

Immediately call **1-800-75-CONED**. Visible steam can reveal a leak and we need to check it out.

Powering New Pathways

Meet Fox, senior electrical technician at Con Edison. Thanks to our grant partner NEW—Nontraditional Employment for Women, which received part of the \$6 million we gave to support local clean energy and tech careers last year—Fox is among a growing number of women building careers in fields where they have long been underrepresented. Learn more at [NEW-NYC.org](#) and follow Con Edison on Facebook and Instagram.

Trimming Trees Keeps Lights On

Fallen tree limbs are the leading cause of power outages during storms. When you're doing yardwork this fall, check your trees for damage and disease. Ailing trees become hazards that can fall during storms and cause an outage for you and your neighbors. Have a hazardous tree on your property? Let us know. We'll evaluate it and let you know if it should be removed or trimmed. Learn more: [conEd.com/TreeTrimming](#).

Environmental Disclosure Label for Con Edison

Fuel sources and air emissions to generate your electricity January 1, 2024 through December 31, 2024

The New York Public Service Commission requires electricity suppliers to provide periodic environmental disclosure statements that explain fuel used to generate electricity, air emissions, and how emissions compare to a statewide average. These are the most current tables available for Con Edison.

For more information, visit [www.askpsc.com](#) or [www.dps.ny.gov](#).

Fuel Sources:	
BAT	<1%
Biomass	<1%
Coal	3%
Hydroelectric	2%
Natural Gas	60%
Nuclear	25%
Oil	<1%
Renewable Biogas	<1%
Solar	5%
Solid Waste	3%
Wind	2%
Total*	100%

** Total may vary slightly from 100% due to rounding*

Air Emissions Relative to New York State Average

Sulfur Dioxide (SO₂) 108% of average

Nitrogen Oxide (NO_x) 108% of average

Carbon Dioxide (CO₂) 108% of average

0 100 200

Sulfur dioxide and nitrogen oxides are key pollutants that contribute to acid rain and smog, and carbon dioxide contributes to global climate change. Depending on fuel source, size, and location, the generation of electricity may also result in other public health, environmental and socio-economic impacts not disclosed above.

This label displays information on the electricity provided to all customers of this entity. If necessary, product specific labels can be generated by the entity.

Power Tip

Never overload outlets or power strips. One in six home fires are caused by overheated wires. Find more electric safety tips at [conEd.com/EnergySafety](#).

Protect Yourself From This Deadly Gas

Carbon monoxide (CO) is odorless, colorless, and it could be deadly. Know the signs of CO poisoning—headaches, shortness of breath, dizziness, nausea, and fatigue. Leave the area immediately and call **911** if you suspect CO poisoning. Once a year, replace the batteries in your CO detector, and clean heating systems, vents, chimneys, and flues. Learn more at [conEd.com/COSafety](#).

Help for New Yorkers in Need

EnergyShare helps eligible residential customers get a grant of up to \$300 to pay their energy bill. When you add exactly \$1 extra to the total amount due on your bill, Con Edison will automatically donate it to EnergyShare. And we match your contributions dollar for dollar. Learn more: [conEd.com/EnergyShare](#).

We Speak Your Language!

Pay your bill, report an outage, and more using our automated phone service in Spanish, Mandarin, Cantonese, Russian, Polish, and Korean. Call **1-800-75-CONED**.

Call 811 Before You Dig

Planning some yardwork? Hitting a gas line with your shovel or other equipment can seriously injure you. Before digging, call **811** two to 10 days ahead of time (it's the law), so utilities can mark the location of lines for free. Some pipelines are marked with the name and number of the pipeline operator so you can contact them. We continuously monitor and inspect our 4,300 miles of natural-gas pipelines. Keeping you safe around them is our top priority. For more information, visit [conEd.com/GasSafety](#) or [https://www.npms.phmsa.dot.gov](#).

Make Your Move Smoother

Moving to a new home? It's easy to stop, start, or move service to a new address at [conEd.com/Service](#).

Don't Fall for Scams

- Don't give scammers your hard-earned money. These are the secure ways to pay your bill:
- Download the Con Edison app.
 - Log in to your account at [conEd.com](#).
 - Use [conEd.com/GuestPayment](#).
 - Call **1-888-925-5016** to pay by phone.
 - Find the current secure payment methods, including locations of walk-in centers, at [conEd.com/PaymentOptions](#).

Here's how to be safe:

- **Ask for ID.** If someone at your door claims to be from Con Edison, call **1-800-75-CONED (1-800-752-6633)** and verify the employee's name and ID number.
- **Check the URL.** Make sure emails are from [conEd.com](#) and don't click on suspicious links. Be careful using search engines, and stay alert to fake addresses ([con3d.com](#), [c0edison.com](#)).
- **Pay safely:** We will never demand payment via prepaid gift or debit card; cryptocurrency, such as Bitcoin; or wire transfer, whether in person, on the phone, or by text. If you feel unsure, call us: **1-800-75-CONED**.
- **Report scams:** Contact your local police department or call us at **1-800-75-CONED**.
